Ross Mathews

What a thrill," Mathews says. "As a new Long Island resident, I've felt embraced and welcomed to Long Island, where my husband and I have chosen to build our life together. And now we get to celebrate Pride with our neighbors, friends and family at a time when our community needs to stand together stronger than ever!"

Sarah Ecke

Sarah Ecke is a Special Education High School Math Teacher who has been a beacon of hope for LGBTQ students at Connetquot High School. She has been on the forefront of fighting for visibility, equality and safety for LGBTQ students. In the fall of last year, Sarah stood strong when the district targeted the Pride flag to be removed and continues that fight today to ensure equal representation and visibility for LGBTQ students.
